Competition Format:

Shooting will be done from the bench. Shooters may have front and rear rifle supports, but the supports may not be connected to each other.

Shooters will fire 25 rounds, with 20 shots scored.

Spotting scopes or binoculars are permitted for sight correction. Spotters are also permitted to assist the shooter. High score is the winner. Bullseye's are tie breaker.

For Safety between relays, all rifles will be stored in racks with the actions open and may not be handled while the firing line is closed.
